

"Whatever It Takes"

3616 Lake Road / Ponca City, OK 74604-5171

PREPARATION REQUIRED FOR BED BUG TREATMENT

YOU WILL NEED:

- Strong Trash Bags with ties
- Washer/Dryer Machines (HIGH HEAT)
- Strong suction Vacuum Cleaner with disposable bags

COMPLETE THESE STEPS/ALL AT ONCE ON DAY OF TREATMENT

1. **COLLECT ALL FABRIC ITEMS IN BAGS:** Collect & remove all washable fabric items (pillows, sheets, blankets, clothing, rugs, curtains, towels, etc.) from all rooms (closets, bedrooms, living room, bathrooms, dining room & kitchen) & place into trash bags & seal.
2. **DE-CLUTTER:** If there was ever a great time to de-clutter a home, this is it. If the likelihood that you'll ever touch or need an item again is low, then bag it and trash it.
3. **CHILDREN'S TOYS:** Take a good look around at your children's stuffed animals & toys. We can treat the stuffed toys with a material that will not leave a residual and leave them safe to handle after they dry from the treatment.
4. **VACUUM ALL SURFACES:** All furniture, mattresses, floors, walls, crevices, heating units, baseboards, picture frames, etc. Place vacuum bag in trash bag, seal and throw away outside.
5. **WASH & DRY:** Wash all items in hot water in a washing machine then dry all items on highest heat setting in a dryer. Place clean items in new unused bags & tie closed. **DO NOT** bring any bags of clean laundry into home until after service has been performed.
